Professional Profile

Dawn Bond is our Business Manager and Finance Officer. Dawn's role is to support the business development of the company by supporting our bid management process and quality management. She is part of the bid team with the successful application of the government frameworks. Dawn also helps to co-ordinate our commissioning role for Gibraltar Health Authority and the Government of Jersey Health & Care Services for tertiary referrals made by the islands to the UK. She has experience of NHS Contracts Management and negotiations of contracts on behalf of a Mental Health for over 4 years acting as their contracts manager.

Dawn was instrumental in supporting our team gaining both the ISO9001-15 and ISO14001 accreditations and continuing the management of the on-going quality processes.

She has supported implementation of NHS Information Governance Toolkit for In-Form Solutions as well as a number of other GP clients.

Dawn has Retail Internal Audit & Compliance experience and explored Fraud Control through Interrogation Software.

Dawn is AAT qualified and has extensive experience of financial packages including SAGE, and QuickBooks as well as comprehensive knowledge of business management processes, Banking and Finance, GDPR, budget management and contracting.

Dawn is active community member and has voluntary taken the role as Treasurer of the local Operatic Society.
